Good Samaritan

Gg

One day Jesus was telling a story about a man who was walking from Jerusalem to Jericho. Suddenly robbers jumped out from behind the rocks and attacked the man. They beat him and stripped his clothes off him. They left the man on the side of the road bleeding and unconscious .

Good Samaritan 2/4

A priest from the Temple came down the road and saw the man laying on the road. The priest crossed over to the other side of the road and walked past leaving the wounded man there.

Good Samaritan 3/4

A little while later a Levite came down the road. Levites were people who worked in the Temple and helped the priests. The Levite saw the injured man laying on the side of the road and he also crossed over to the other side of the road and walked past leaving the man there.

Good Samaritan 4/4

Then a Samaritan came down the road with a donkey. Samaritans were hated by the Jews, but when he saw the man laying on the side of the road he went to see what was wrong with the man. He poured oil on the man's wounds and bandaged them. He then helped the injured man onto the donkey, took him to an inn and paid the innkeeper to look after him until he was better. The Bible tells us to love God with all our heart and soul and strength, and also to love everyone else as much as we love ourselves. The Samaritan helped the stranger and this pleased God.
