In this world, many people are sick, hungry, worried and unhappy. This is what the devil wants for us. Have you noticed how the devil loves to make daddies and mommies fight and make their children sad? God never made the world this way. We have allowed the devil to trick us into believing him instead of the one God who loves us. God is fed up with the devil and the time is coming soon when God is going to throw the devil and his followers, into the lake of fire where they will suffer forever and ever.

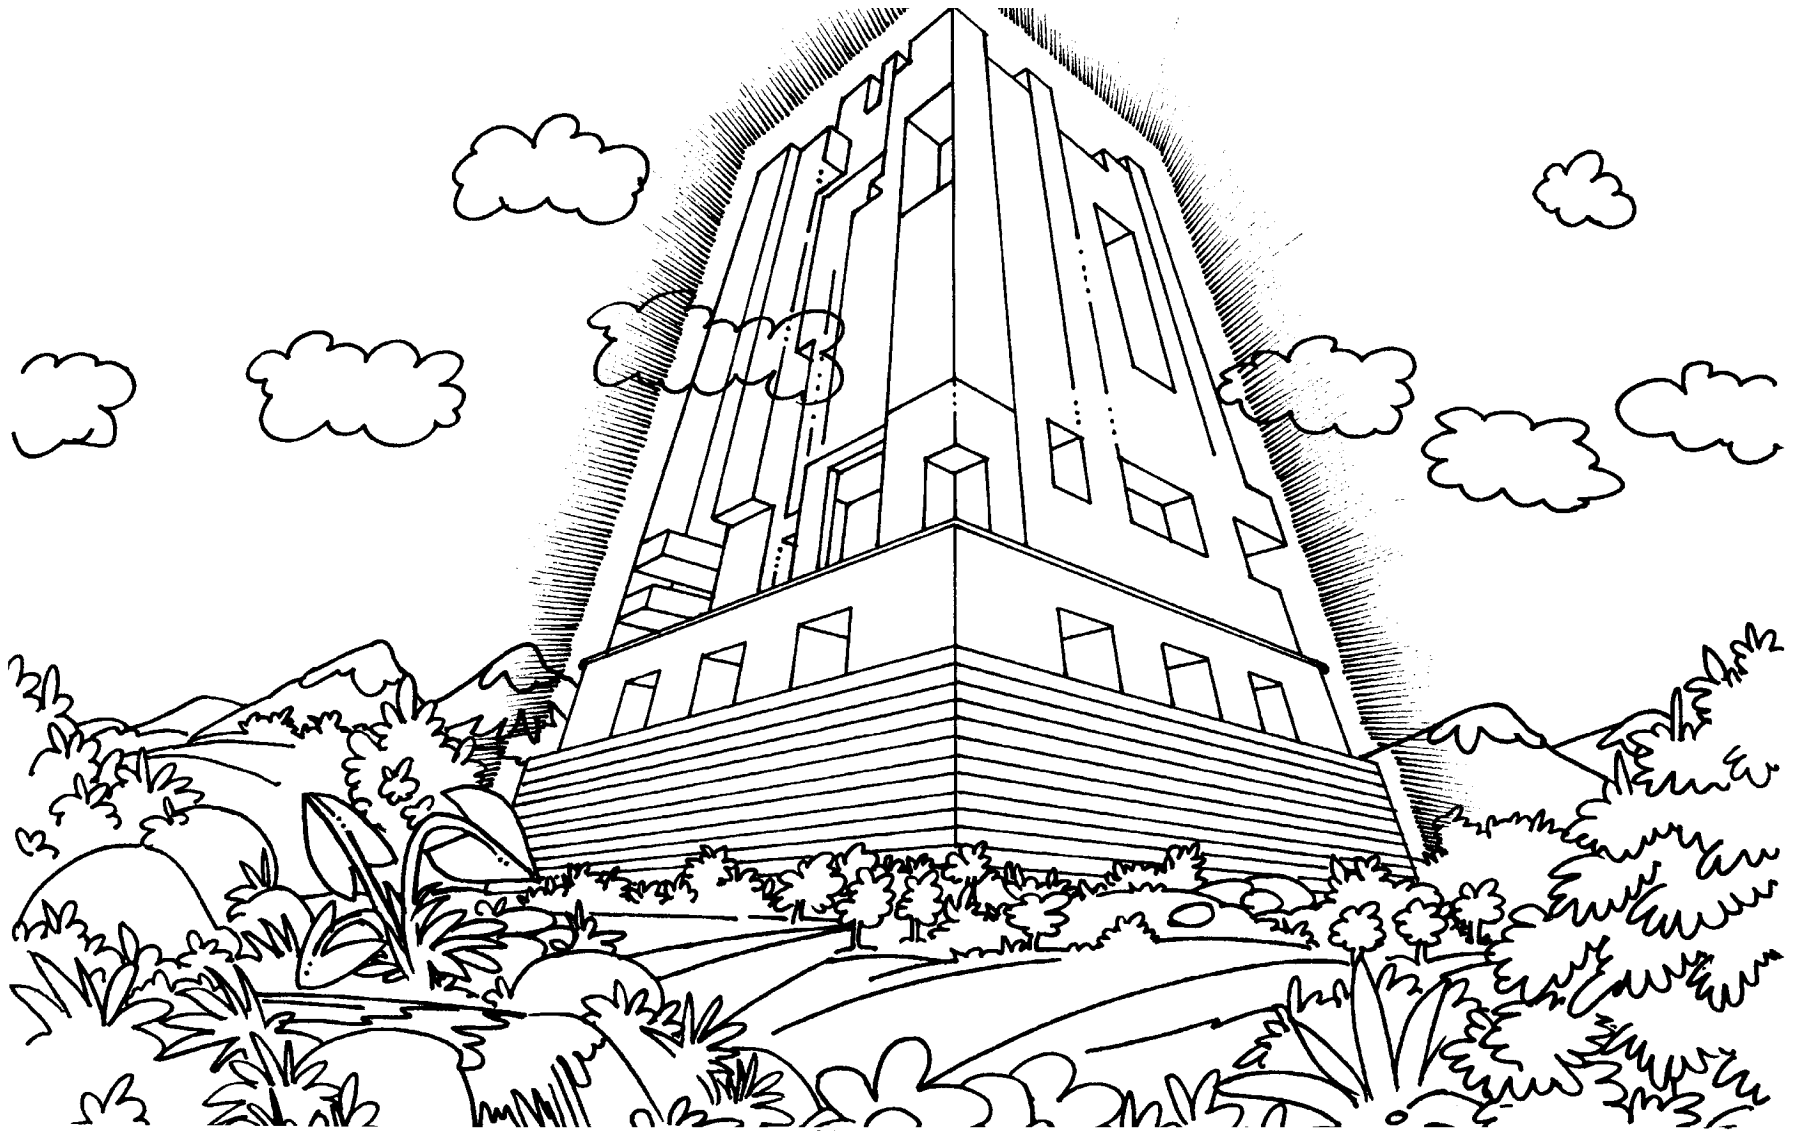

Heaven ^{2/4}

Our Father in heaven knows that we sometimes do the wrong things, but because He loves us so much, He gave us His Son, Jesus Christ, to wash away all our sins. God doesn't want to punish us the way the devil and his followers are going to be punished.

Heaven ^{3/4}

God wants to take us to Heaven with Him. The Bible says that killers and witches and liars and other who won't accept Jesus as Saviour cannot go to heaven. God wants to save us and to help us to live His way and not the devil's way. All we have to do is believe that the Lord Jesus took all our sins away, and ask God to make us real Bible-believing Christians.

Heaven 4/4

If we follow God, He will take us to live with Him in the most wonderful place called Heaven. In heaven the devil will no longer bother God's people. The Bible says that there will be no more crying, no more death, no more sadness or pain in heaven. Right now Jesus is preparing a place in heaven for all who will invite Him to be their Lord and Saviour.
