**The Bible is full of stories of how people got into trouble when they would not listen to God. Think of the people who drowned in Noah's day. We also know the stories about Eve, King Saul and many others. There are also many stories of people who were blessed because they listened to God. We can think of Daniel, Shadrach, Meshach and Abednego. There were also people like Noah, Abraham and many others. God is the One who gives us life, He made us and He knows what is good for us and what is bad for us. God loves us very much and gave us His Word, the Bible, so that we can know Him. The Bible tells what we should do and what we should not do so that we can live happily and blessed.**

Now God gave us parents to love us and care for us. God tells us in the Bible to obey our parents in the Lord and to honour our father and mother.  
If your parents do things that God says are wrong, then tell them in a respectful way.

Obedient <sup>3/3</sup>

**Remember, parents are human and sometimes they make mistakes, but God never makes a mistake. Friends, listen when God tells you to be obedient to your mom and dad and He will bless you.**
