Reborn

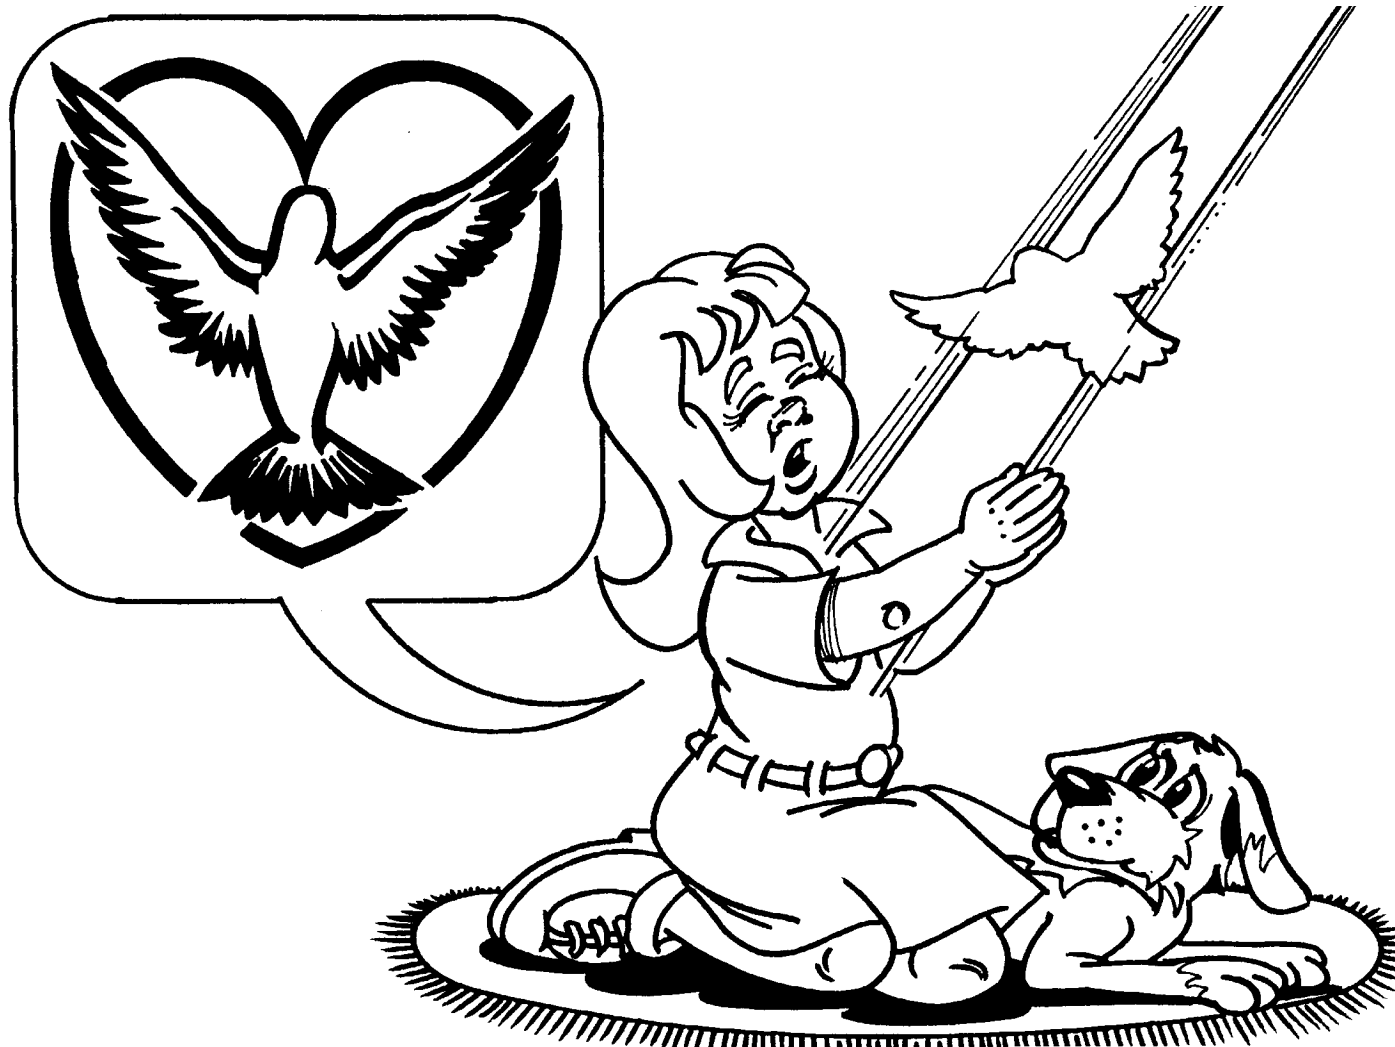

When a mommy has a baby, we say the baby is born. This is the natural birth. Now day by day the baby grows. While the child is very small it does not sin but, at a later time, the child will be tempted to do wrong things. We all know that sooner or later the young person will do, say or think something that will be wrong and sinful. This is true because the Bible says that we are all sinners.

Reborn ^{2/4}

When we come to the time that we sin, we will need to have ourselves cleaned by having our sins washed away. Now the only One who can wash our sins away is Jesus. The Bible says that Jesus is God and because He is God, He is perfect and without sin. The Bible also says that He died on the cross to wash our sins away. You see friends, Jesus took the blame for the wrong things we do. All we have to do is believe that He loves us, that He died for us and that He is risen from the grave. Then we ask Jesus to be our Lord and Saviour.

Reborn ^{3/4}

Jesus said we must be born again. Now Jesus did not mean that we must go back into our mommy's tummy and be born again, He meant that we must believe in Him and have our sins washed away. When we do this with all our heart, God comes to live in us and change our hearts. We start wanting to do things God's way. The old you who used to tell lies will not want to lie anymore. People who become born-again are changed by the Holy Spirit of God coming to live in them. With God in our hearts, we become more and more like Him.

Reborn ^{4/4}

The Bible tells us to repent, which means to turn right around from our bad ways and accept Jesus Christ as our Lord and Saviour. The Bible also says that we must be baptised in the name of the Lord Jesus Christ and let Him become the most important person in our lives.
