God's people that died before Jesus was crucified, could not go straight to Heaven because their sins were not yet washed away. They all waited in a place called Abraham's bosom. Adam, Joseph, Abraham, Elisha and all the others were waiting for the Messiah, Jesus, to come and wash their sins away. You see friends, they had to be clean from all sin before they could go to Heaven.

Yippee ²¹⁴

When Jesus died on the cross, He left His dead body and went and took the keys of hell and of death away from the devil. From that moment, the devil lost all his power over God's people.

Yippee ^{3/4}

Jesus went to the place called Abraham's bosom and fetched all God's people that had died before. On the third day after Jesus was crucified, He came back to His tomb and entered His body and His body became alive again. Jesus was showing us that when we die, He will make us alive again to be with Him forever more. Jesus will save us from hell and the devil if we believe in Him.

Yippee ^{4/4}

The Bible tells us that the living Jesus was seen for forty days by more than five hundred people. The dead saints that Jesus brought out from Abraham's Bosom were also seen alive in and around Jerusalem. These Godly saints were on their way to Heaven and we will join them in Heaven one day if we believe in Jesus.
